Do You Know an Outstanding Parent Leader?

Strong Parent Leaders are more likely to be effective parents, so promoting Parent Leadership is an essential means of strengthening families. National Parent Leadership Month was created to recognize the extraordinary courage and tenacity of parents who have reached out to make improvements in their families and communities.

Please take a moment to nominate someone as a Parent Leader. A detailed description with examples is most helpful.
A Parent Leader ….

- Has personal experience in using resources/services to strengthen his or her family.
- Is speaking and acting from his or her perspective as a parent.
- Is not speaking and acting in a staff role for an organization or institution.

The parent that is selected as the Mariposa County Parent Leader for 2010 will be honored publicly and will receive a recognition gift.
